

On behalf of Mali and the entire Adopt from Afar team, I am filled with tremendous gratitude as I write this letter to you. Your compassionate decision to adopt Mali digitally has touched our hearts and will surely make an immeasurable difference in his life.

Your support and love has brought a new dawn of hope to this brave and resilient soul. When Mali was found in the rubbish dump, hungry and neglected, his spirit was wounded, but there was still a glimmer of hope in his deep blue eyes. Mali is now under our care, getting the treatment he needs and staying in a warm and safe kennel.

We invite you to follow Mali's heartwarming journey on his special web page. Here you will witness the incredible transformation as he embraces a life of love and happiness. The page will be regularly updated with videos and photos capturing every joyful moment and milestone in Mali's life, reminding us all of the profound impact your love has had on him.

Your decision to embrace Mali with open arms has made all the difference in the world. Through the power of digital adoption, we are rewriting Mali's destiny with love, compassion and a bright future. Together, we are giving him the second chance he so deserves.

Thank you again for being Mali's guiding light, his pillar of hope and support. Your kindness has touched his life and made all the difference. We are truly grateful for your generosity and commitment to making a positive difference in the life of this wonderful husky.

With warmest regards,

Adopt from Afar Team
